**AMBROSE TREACY
COLLEGE**

Learning today.
Leading tomorrow.

Dear Parents and Caregivers

Christian belonging through the Catholic Sacraments of Baptism, Confirmation and the Eucharist are integral to the faith formation offered to students at Ambrose Treacy College. The Sacraments express and realise the profound communion we share with Jesus as brothers and sisters in faith.

As a Catholic school community, we are conscious that not all students have had the chance to be initiated into the Church through the Sacraments. If this is something that your son would like, as a way of deepening his faith and belonging in the Church and our community, [please email me](#).

The responsibility of preparing young people to receive the Sacraments rests with the local parish in partnership with parents, and the school community. In light of this, Ambrose Treacy College is collaborating with the St Ignatius Parish Toowong and Stuartholme College, to offer a series of afternoon workshops that prepare students to receive the Sacraments.

At this stage, we are gathering information to ascertain how many students are interested. Following this first step, we will then provide dates and times for the preparation to occur.

Please contact me with any questions or queries.

Yours sincerely
