**How do students pay for bus travel** – Southern Cross Travel will be responsible for ALL Fares & Ticketing and we use a TAP ON & OFF SmartCard System. To apply for a SmartCard, please go to our website [www.southerncrosstransit.com.au](http://www.southerncrosstransit.com.au) and complete the application under the “passes” tab. If an ATC student has an **ATC/BBL Ten trip ticket**, SCT bus drivers will accept these tickets as fare. Once the ten-trip ticket is used up you will be required to then use the SCT pass or pay cash.

**When will I receive my Smart Card?** – ALL SMART CARDS will be delivered to the respective college for collection OR you can advise us that you will come to our office to collect it.

**What happens while I am waiting for my Smart Card and I want to travel?** Please ensure students have the correct CASH FARE to pay the driver. If you do not have any Cash to pay the driver we will note the students details and contact the parent, guardian or carer to arrange payment.

**Qld Gov. Subsidised Travel.** - If you have been assessed to be eligible for Partially Subsidised Travel under the Qld Gov. Student Travel Assistance Scheme (STAS), you will be issued with the appropriate SmartCard and are still required to tap on and off. The correct **TOP-UP Fare**, which is worked out when your SmartCard is created, will be deducted from the card when you tap on based off your pre-existing STAS application. We refer to this fare as a STATIC FARE when used with our Smartcard's.

**Full Cash Fare Travel** – a Southern Cross Transit SmartCard is still required to tap on and off. The correct CASH Fare amount will be deducted from the card and is calculated based off your ORIGIN (boarding point) and DESTINATION (alighting point), this we refer to as a DYNAMIC FARE in our SmartCard system. It's important to note that if do not TAP OFF, a fee of \$5 will be deducted from you SmartCard which may be higher that the Fare for the journey you have travelled.

**BUS STOPS & SAFETY** – Southern Cross Transit will still use the same stops that have been previously used, however, we do ask that all students HAIL THE BUS as it approaches. This should be done every time as often a relief or new driver will be operating the service and they will not know who and where to pick up and set down. Also, we encourage you to visit our website at [www.southerncrosstransit.com.au](http://www.southerncrosstransit.com.au) and click on the STOPS & SAFETY tab to be more aware of your responsibility in using our services.

**Still not sure?** Please telephone us on **38138900** or come see us at **251 Mt Crosby Rd, Karalee** during office hours Monday to Friday between 8am to 5pm.

**As from Tuesday 23<sup>rd</sup> April 2019**
